Director of Training

25 May 1953

CFE

Assistance by the Office of Training for [REDACTED]

25X1

REF. : IN 25535

1. The referenced cable [REDACTED] is a request for certain material in the field of psychological testing which has been discussed with Col. Baird [REDACTED] by representatives of this division. This memorandum is to formalize the requests made in these conversations.

25X1

2. It is requested that the Office of Training supply this division as soon as possible with such intelligence testing material as in the opinion of the Office of Training can be profitably used in the screening of [REDACTED] personnel. It is further requested that a list of available textbooks and appropriate journals in the field of intelligence and personality testing be supplied this division. These two requests are in fulfillment of the field request in referenced cable.

25X1

25X1

4. An indication of the ability of the Office of Training to fulfill the above requests will be appreciated.

Originator: [REDACTED]
